

# HANDOUTS FOR PARENTS

AGE 8-12 YRS

## INAPPROPRIATE CONTENT

### NETIQUETTE

- Encourage your child to always treat others the way they would like to be treated
- Children should be taught to leave the chat room or forum if someone says anything uncomfortable
- Ensure your child is comfortable enough to share anything that makes them uncomfortable, sad or scared with you
- Respect their privacy and encourage them to respect other's privacy. Ask them to protect their passwords, addresses, phone numbers, private information or interests
- Explain to them the harm that using abusive language on a public platform or private messages can do
- Tell them to never reply to any uncomfortable messages and to never crash or ruin discussion groups or forums
